

Journeyman: A Novel (Brown Thrasher Books)

Written immediately following *Tobacco Road* and *Gods Little Acre*, this novel introduces one of Erskine Caldwell's most memorable characters: the philandering, murderous itinerant preacher, Semon Dye. Part allegory, part tall tale, and with a good measure of old frontier humor, *Journeyman* tells of a stranger, as devilish as he is divine, who mysteriously arrives in Rocky Comfort, Georgia, and, inside of a week, nearly tears the small community apart. Helping Rocky Comfort's citizens to rationalize their vices and weaknesses, Semon Dye then uses their flaws to his own advantage. Offering no forgiveness for their actions and no justification for his own, he confronts the people of Rocky Comfort with their own sins as he gambles, drinks, carouses, and fights along with them. Culminating in a tumultuous, ecstatic revival, *Journeyman* is filled with insights into human nature and the physical and emotional components of religious fervor. This volume reprints the complete text of *Journeyman* as it was first published, before the more widely circulated edition, expurgated in the aftermath of the legal battles waged against *Gods Little Acre*, was released.
