

## On Christmas Eve: A Cape Light Novel (Cape Light Novels Book 11)

The loveliest gift of the year—the new Christmas novel set in the beloved town Lucy and Charlie's relationship has been on the rocks, but just as Lucy is about to call it quits, a runaway teenager crosses her path. It turns out this girl has been shuffled from home to home and has decided to make her own destiny—landing in Cape Light. Lucy takes her in despite Charlie's protests. This could be the thing that makes or breaks their frayed relationship... With a grown son embarking on his own life, and an ex-husband starting a new family, Betty realizes it's time to find a partner of her own. Then Santa bears an unexpected gift at the Rotary Club's Christmas party: himself. Beyond the red suit and the padding, she notices a twinkle in his eye. Has the holiday cheer gone to her head, or is she really attracted to a struggling magazine writer who plays dress-up? But things aren't always as they seem, especially in Cape Light—and unless Betty realizes that good things come in different packages, she risks Santa passing over her this Christmas.
