

## Brians Last Ride

Based on a True Story Winnipeg Free Press, Monday, September 24, 1984, Page 4 A collision between two dirt bikes Friday night has resulted in the death of a 14year old youth from Landmark. RCMP said Brian Mark Kauenhofen was killed when he rear-ended a second bike driven by another youth and a female passenger. The other two riders escaped with minor injuries. In Brians Last Ride the author brings the reader to the scene of an unintentional hit-and-run; then walks them through the aftermath.
