

## Silent Partner

One Cop, One Serial Killer, One Witness Who Will Survive? California's elite Police K9 Units arrive at an abandoned warehouse after a high-speed chase and apprehend two killers after they have fled a grisly murder scene. This barely scratches the surface of a bloody trail from a prolific serial killer that leads to unlocking the insidious secrets of one family's history, while tearing a police department apart. Jack Davis, a top K9 cop with an unprecedented integrity, finds himself falling for a beautiful murder suspect and struggling with departmental codes. Megan O'Connell, suffering from agoraphobia, is the prime murder suspect in her sister's brutal murder. Darrell Brooks, a psychopath who loves to kill, is on a quest to drive Megan insane for profit. Everyone is a suspect. Everyone has a secret. Someone else must die to keep the truth buried forever. Silent Partner is a suspense ride along that will keep you guessing until the bitter end.
