

The Short Stories of Saki (Modern Library)

Hector Hugh Munro (December 18, 1870–November 13, 1916), better known by the pen name Saki, was a British writer, whose witty and sometimes macabre stories satirized Edwardian society and culture. He is considered a master of the short story and is often compared to O. Henry and Dorothy Parker. His tales feature delicately drawn characters and finely judged narratives.
